You have been a terrible influence on me. You drink, smoke, party, fornicate (that's a big word for fuck), and do generally bad things. But, I've had a great time. We'll get together and do more evil deeds this summer.

See ya next year!

Amidst all of the extra-curricular activities, it is very difficult to uphold a 4.0 grade point average. Those students who can participate actively in his school and maintain excellent grades should be recognized. This year W. T. White honored each student who received straight A's both semesters during the 1983-84 school year. Each student received an "A Honor Jacket" at a P.T.S.A. meeting at which Linus Wright was the speaker. Each of these students should be congratulated for their outstanding academic achievement.

The Varsity Cheerleaders did a stupendous job of leading the school's spirit. Even with new school reforms the cheerleaders were able to keep the spirit remarkably high. The Varsity Cheerleaders attended SMU summer camp where they received a handful of superior ribbons. Their dedication to W. T. White reveals our school's spirit at its best!

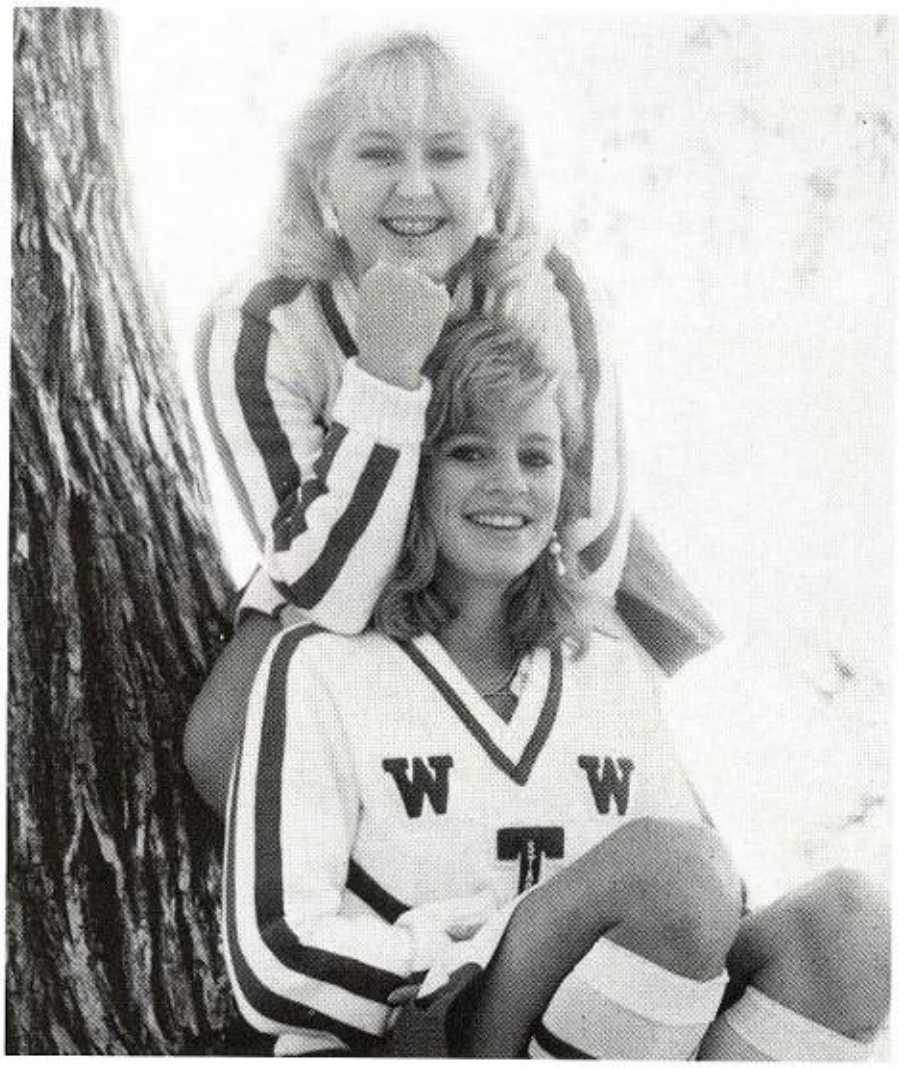
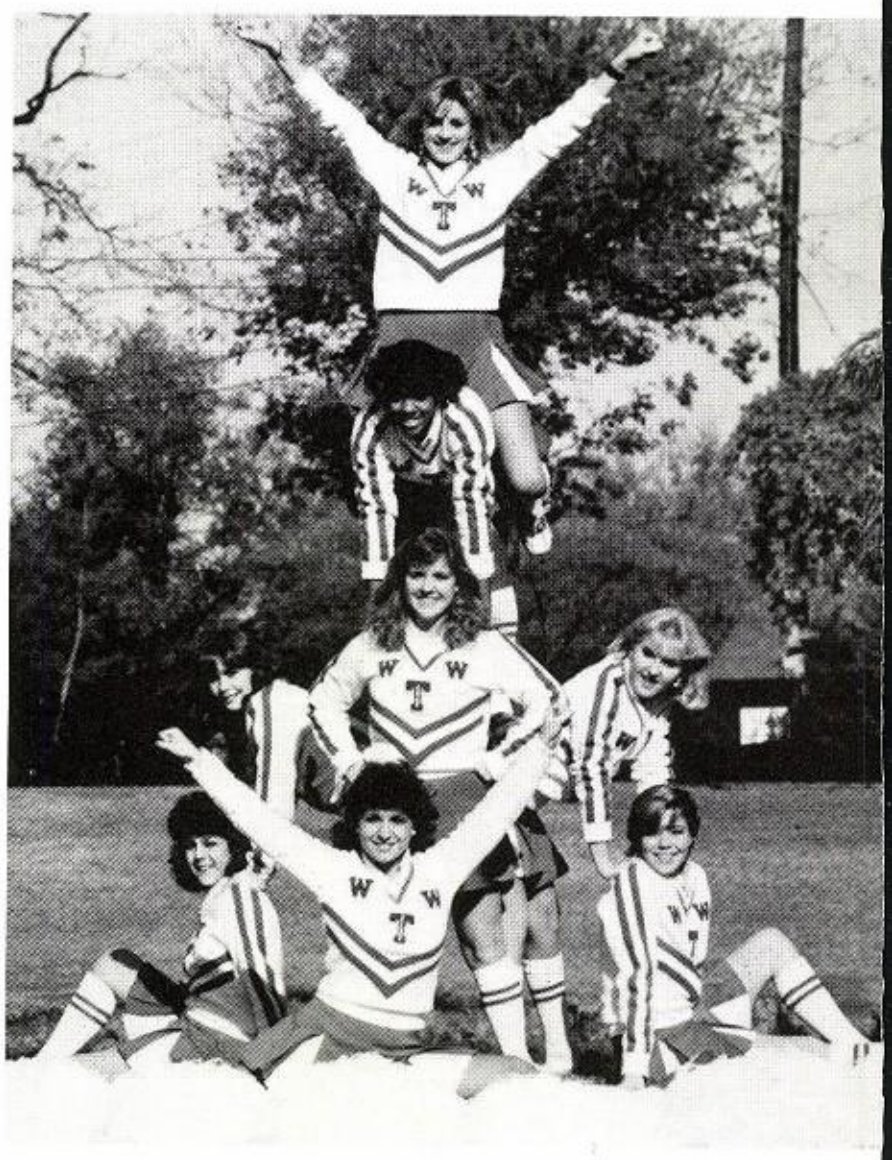
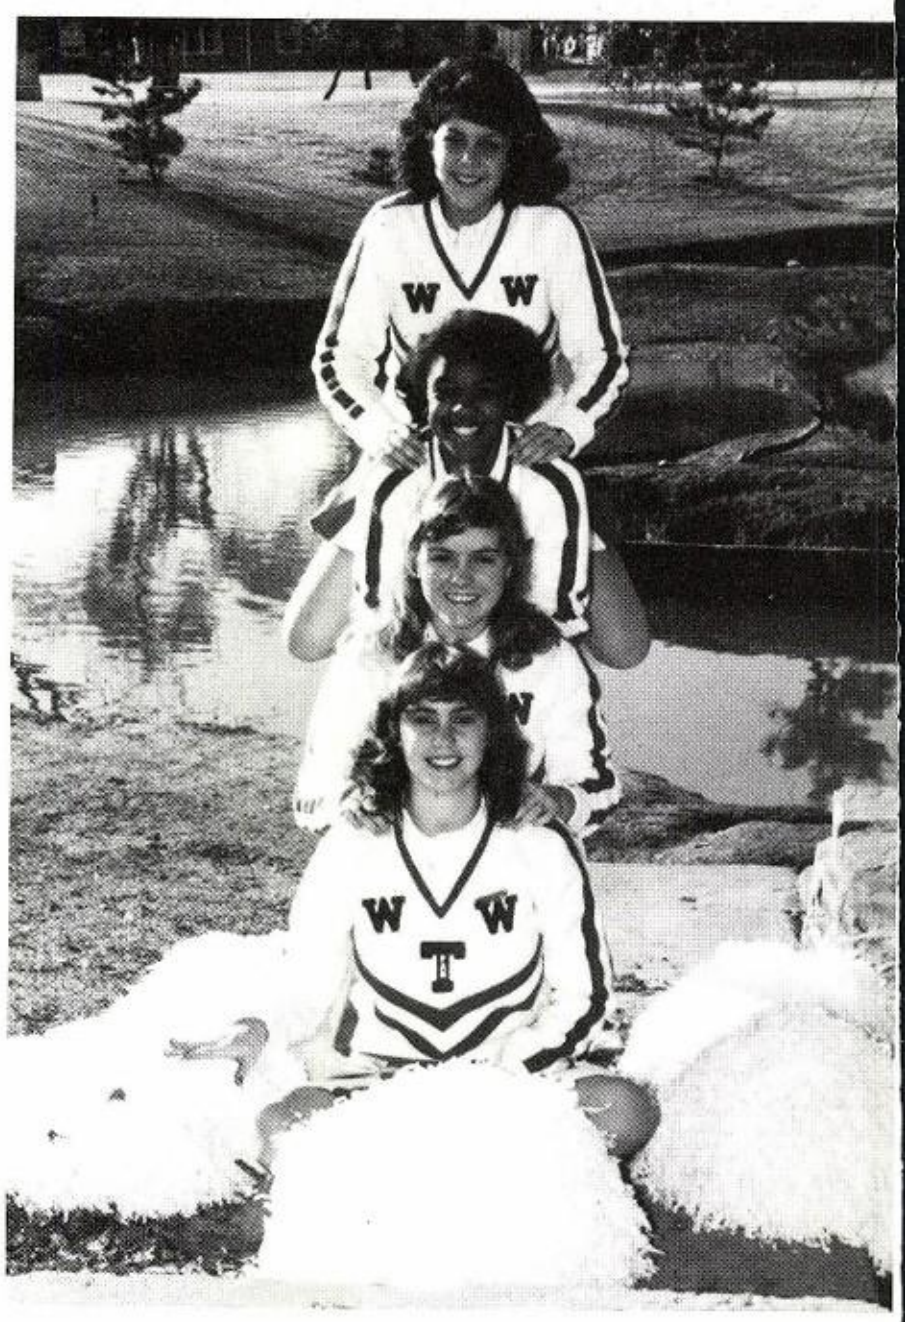
# The J.V. Excels in Spirit!







This year the J.V. Football Team was rooted on by the Junior Varsity Cheerleaders. An enthusiastic group of eight talented sophomores and juniors, they have made this year an exciting one. Their spirit and loyalty to W. T. White has made the football games and pep rallies interesting and fun.

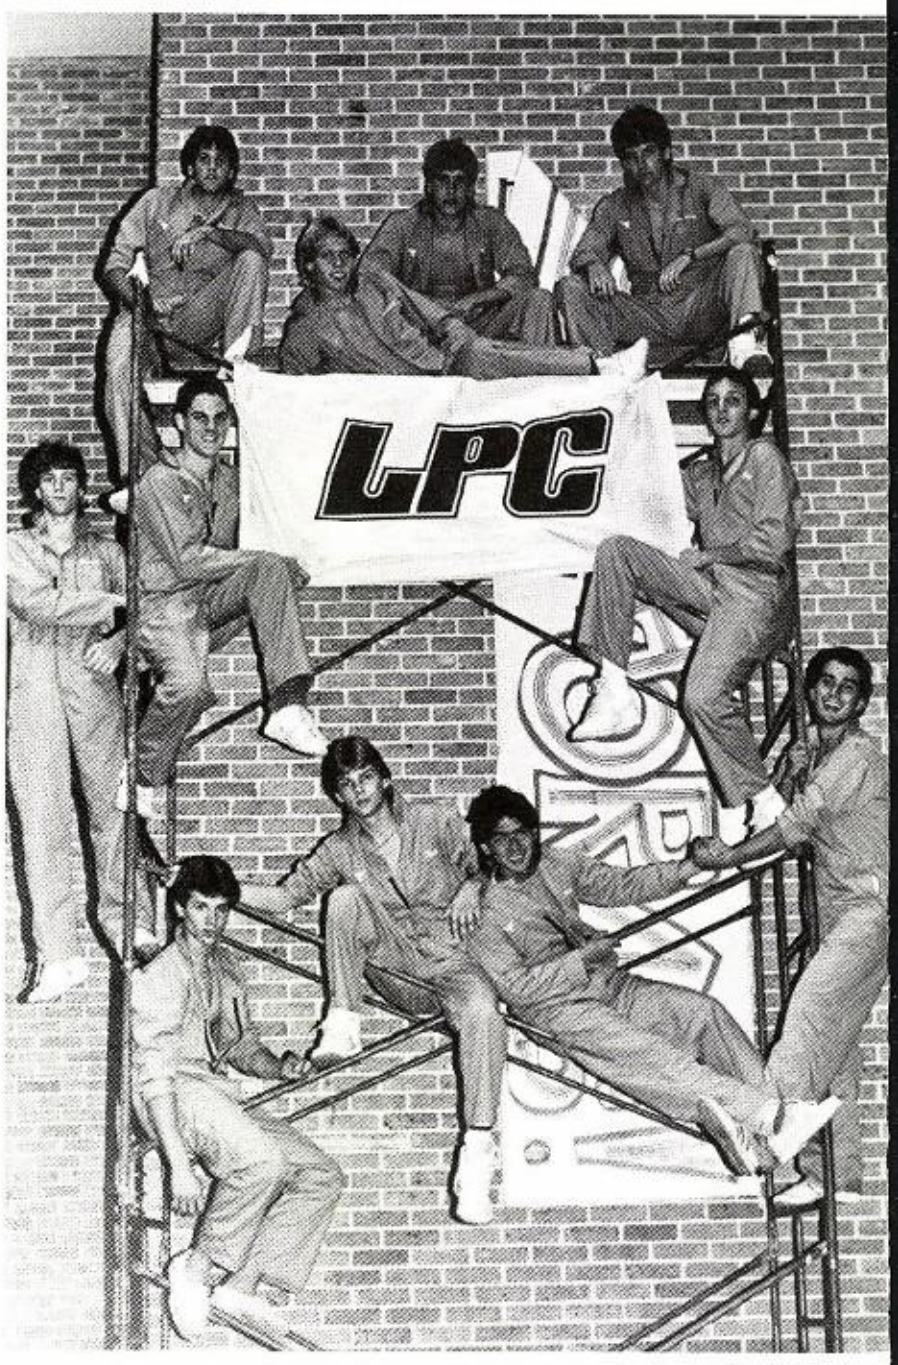
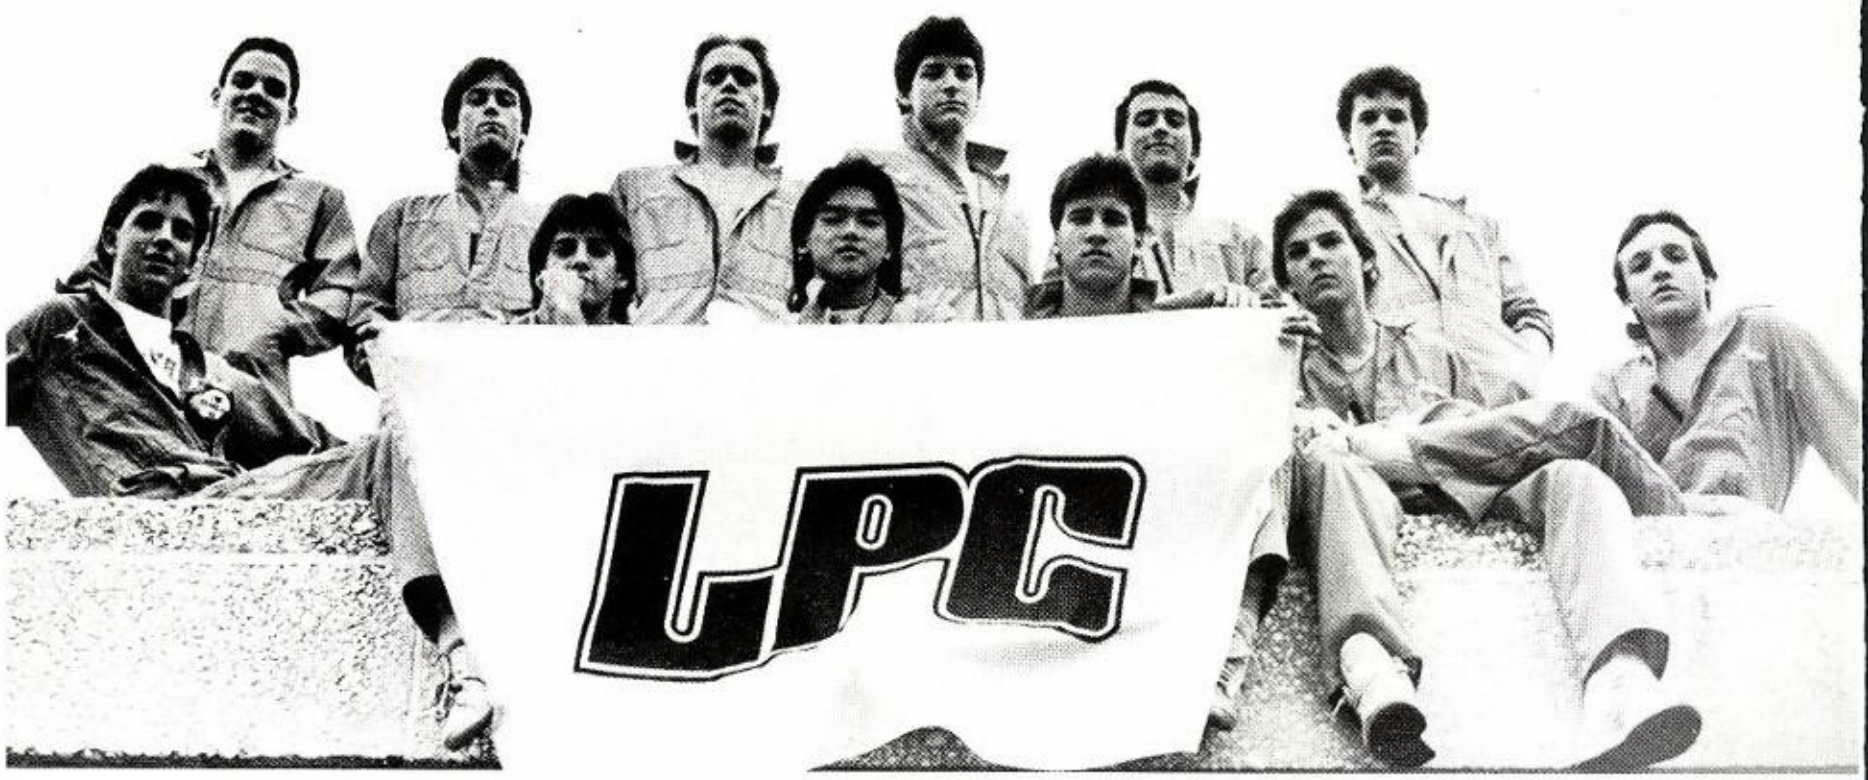
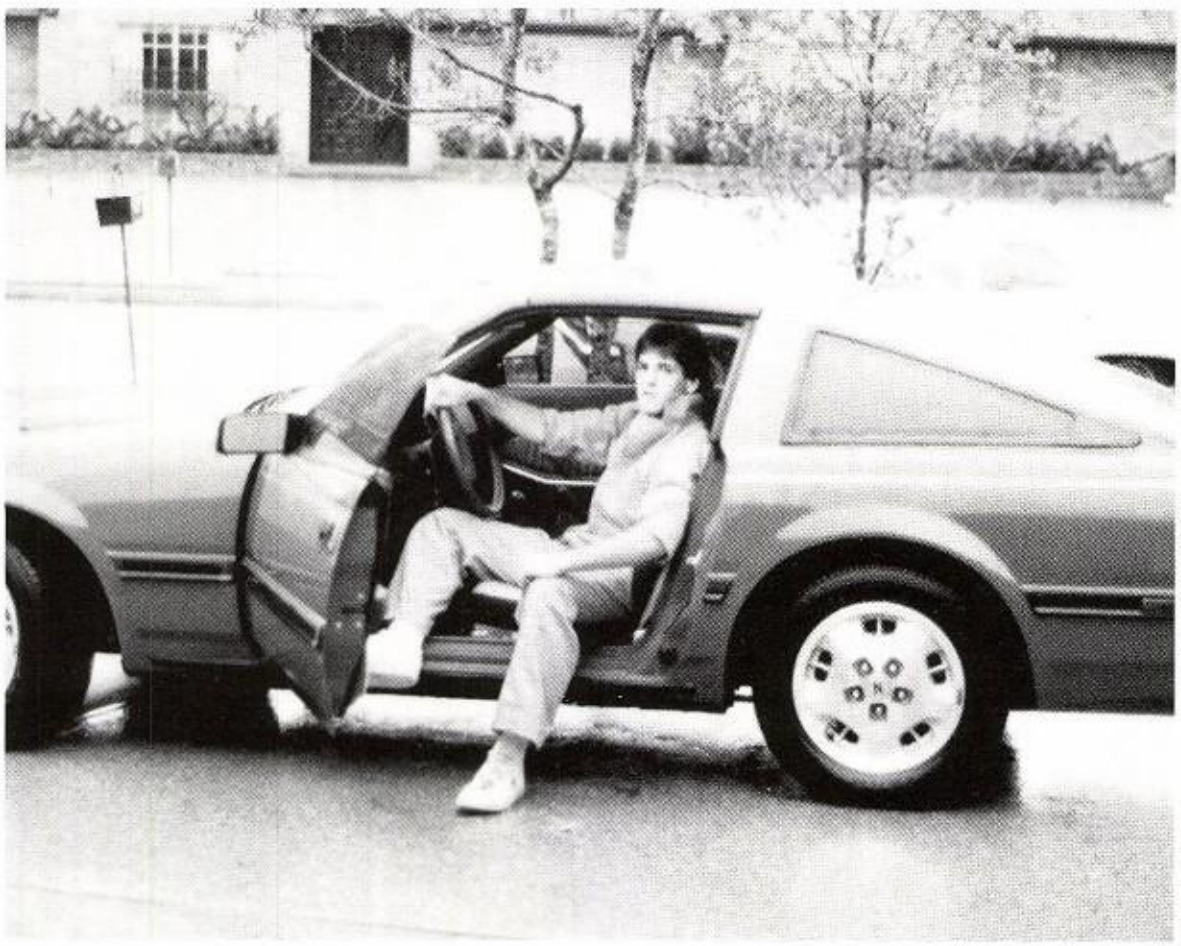
# The Few

# The Proud

# The L.P.C.







The L.P.C. demonstrated their unselfish attitude by graciously helping the cheerleaders during pep assemblies and football games. The student body owes many thanks to this gregarious and vivacious group. I think we shall all remember with fondness their constant cries of "Seniors '85."

The bright orange overalls and intense spirit of the Longhorn Petroleum Co. brought a sense of unity and pride to the senior class. The L.P.C. was involved in many activities, some of which are not fit to be printed on these pages. The athletic ability of this all senior group became apparent to all when the L.P.C. defeated the L.F.D. and went on to win the volleyball intramurals championship against the faculty.

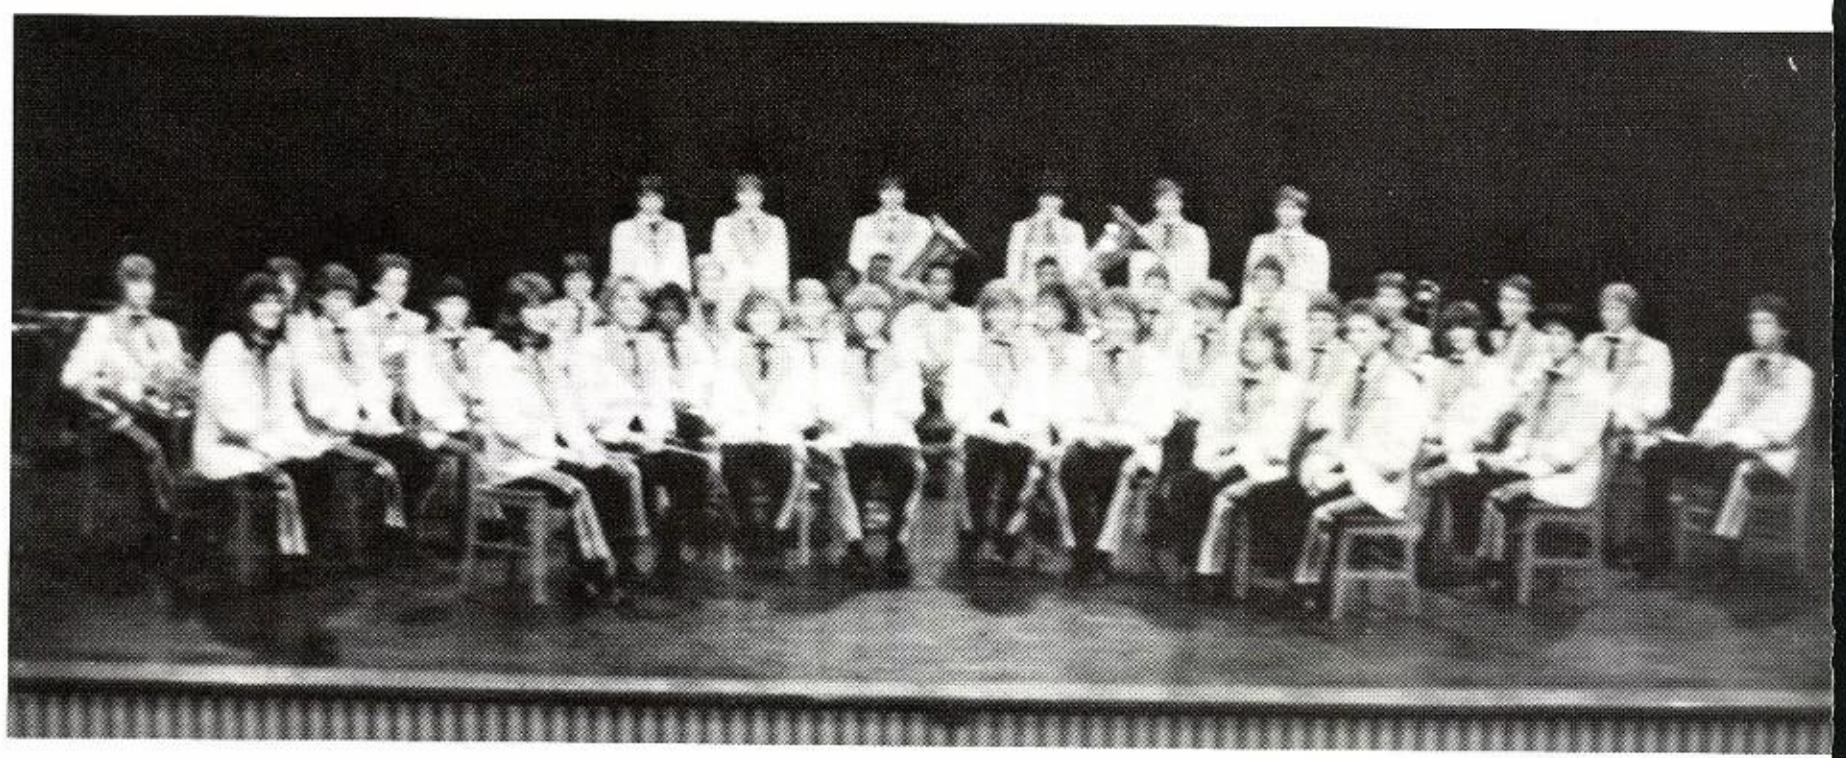
# Band-Aid



Both the marching and concert bands got some definite "band-aid" from the new head director, Mr. Long. Wit Mr. Collin's aid also, the band had a very prosperous year. They made a good number of exceptional ratings at con tests. These contests included UIL marching contest, DISD and UIL Solo and Ensemble, and DISD and UIL concer competition. They will also be competing in the Buccaneer Music Festival on their spring trip to Corpus. Everyon worked hard on fundraisers — selling candy, pizza, and cheese and sausage — in order to raise money for the trip.

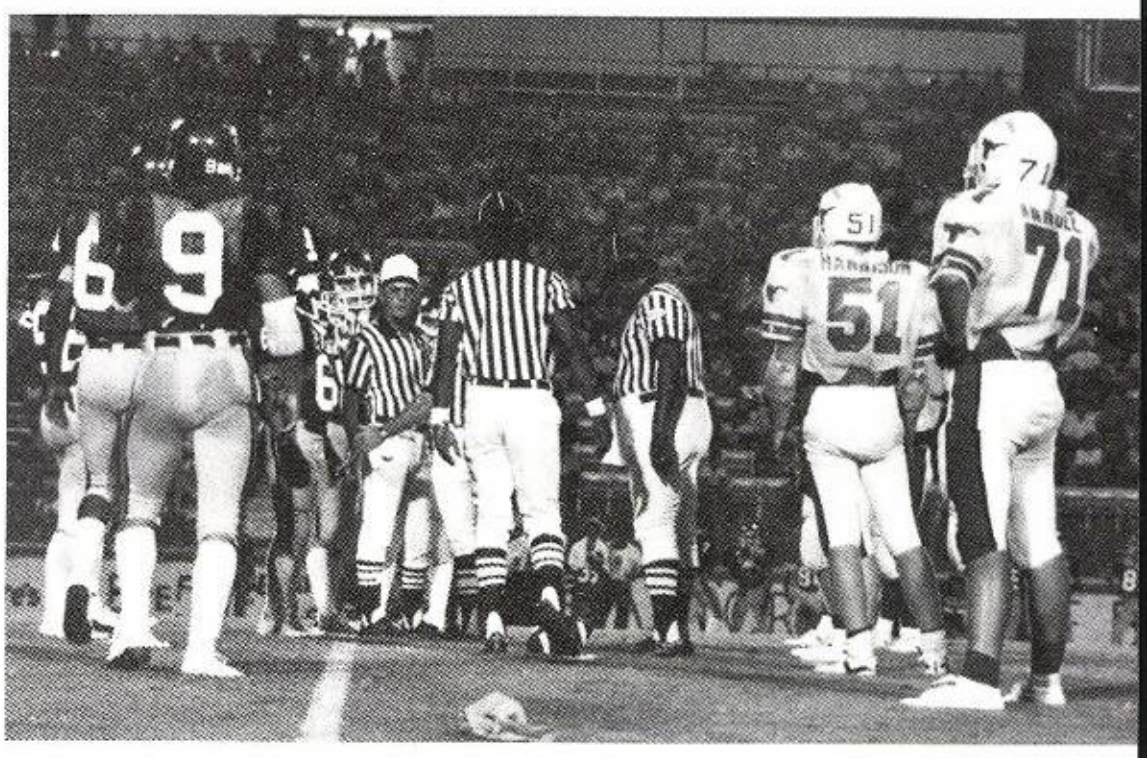
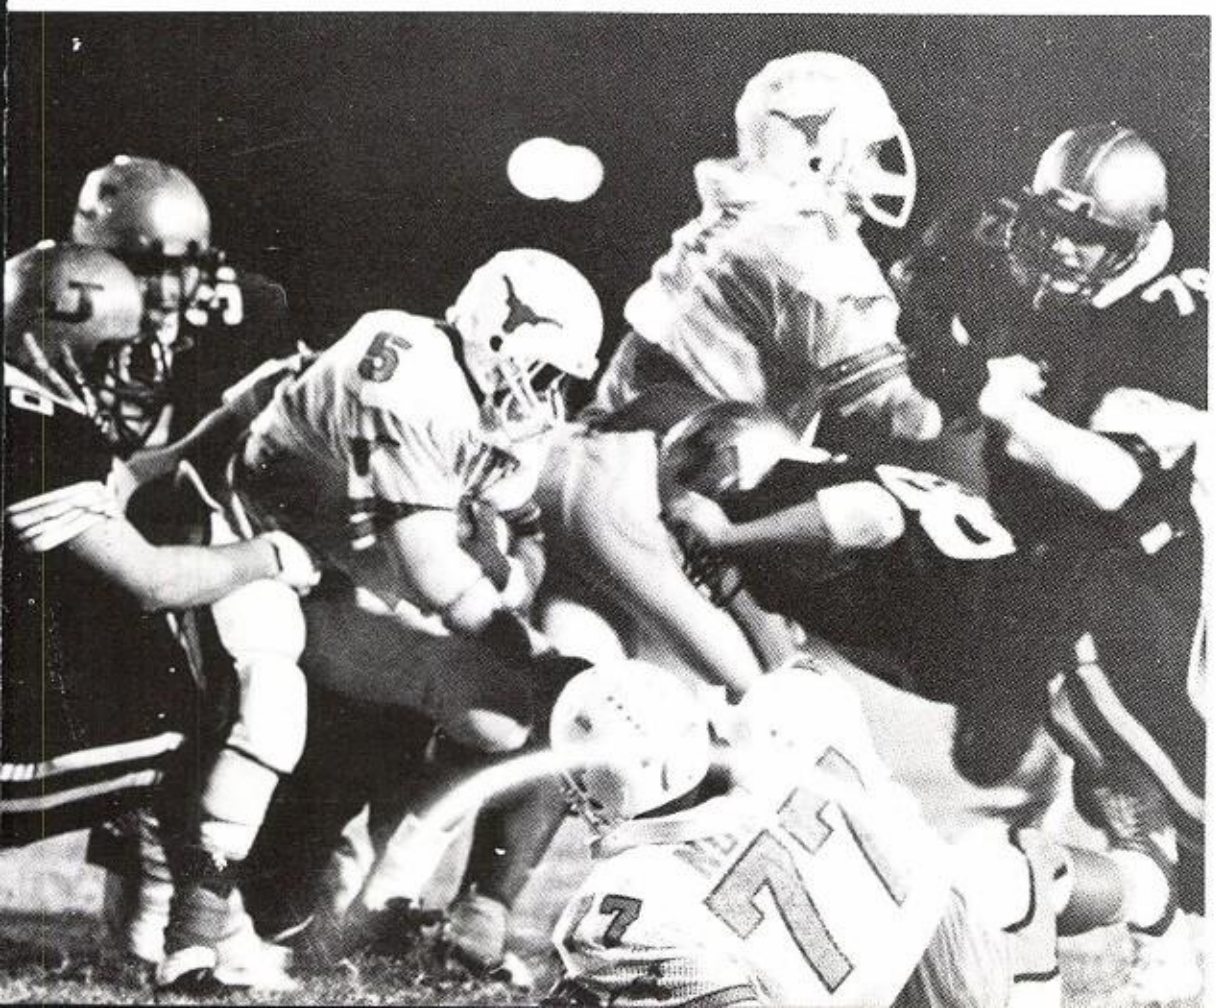
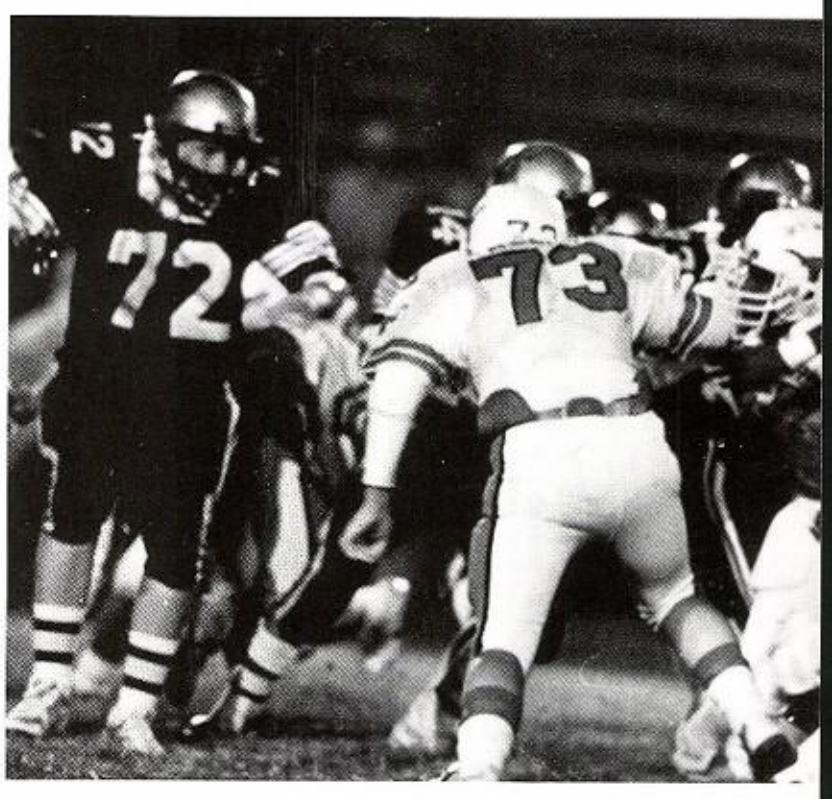
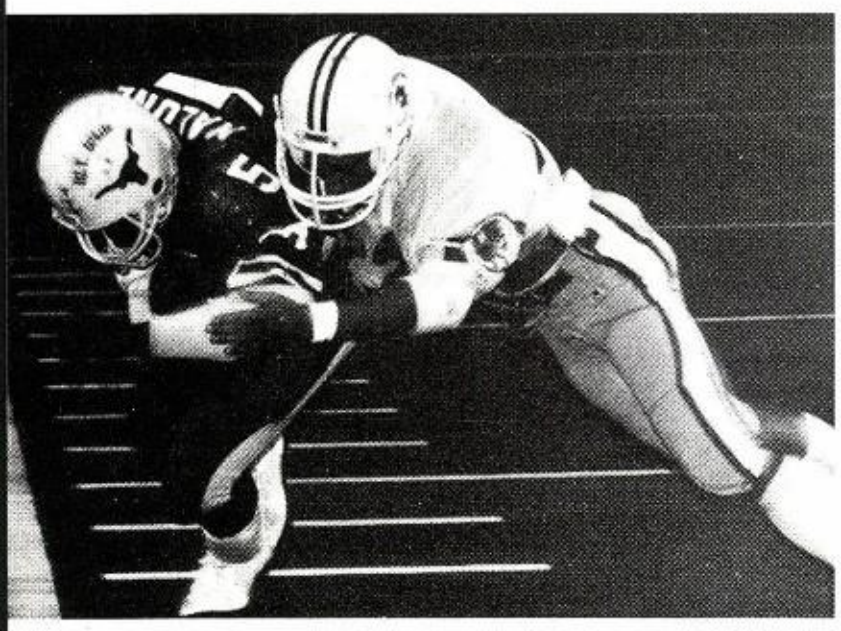
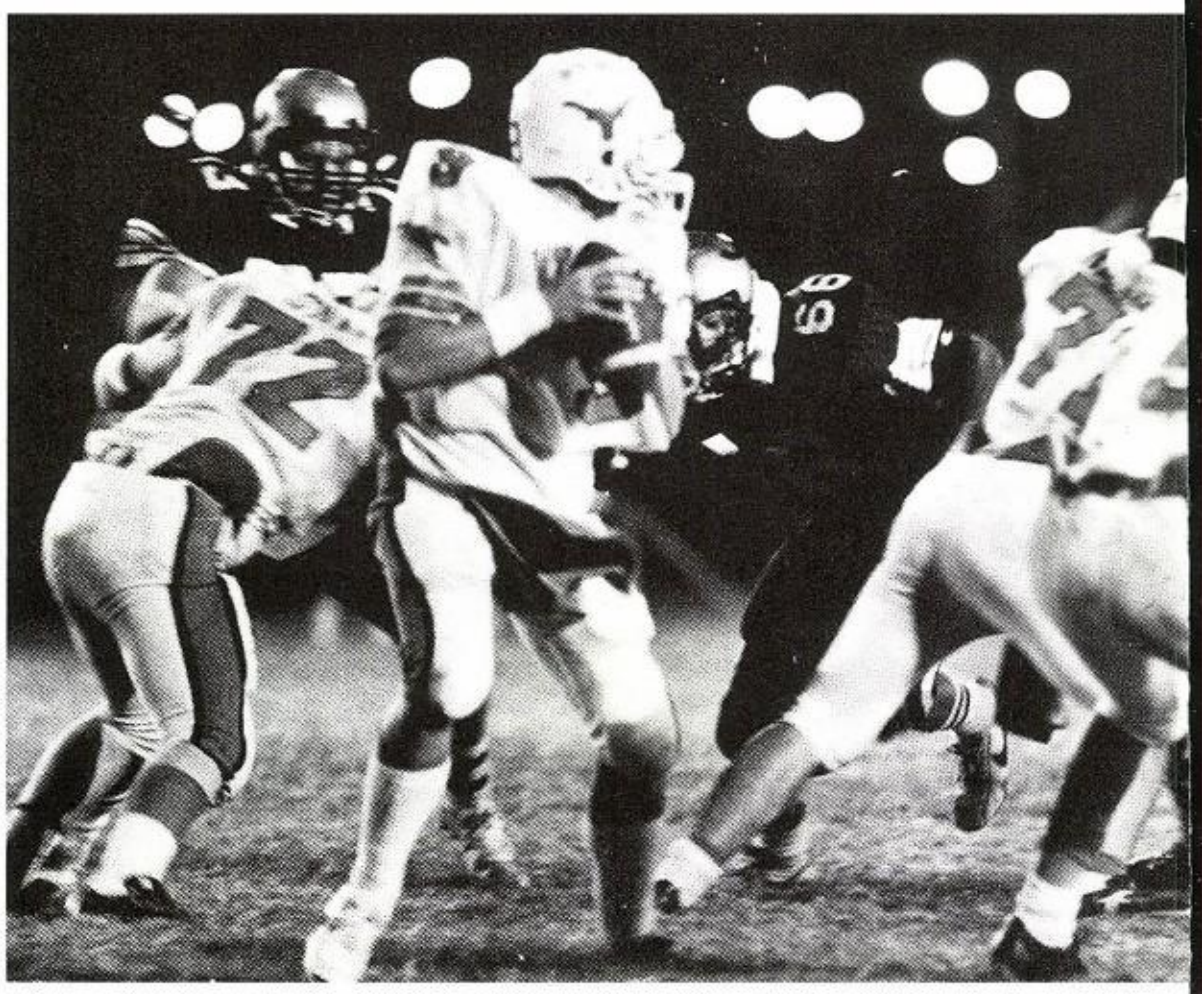
The Longhorns opened the 1984 season with a burst of enthusiasm as they decisively defeated South Garland 24-3. The 'Horns emerged victorious in their next match against the Tyler Lee Red Raiders 24-16. The third game brought disappointment to the team — a 42-7 defeat by North Mesquite. In the rivalry between the Longhorns and neighboring school Jesuit, W. T. White finished on top with a 23-6 win. An unfortunate loss to Skyline, 24-21, ended non-district play for the team.

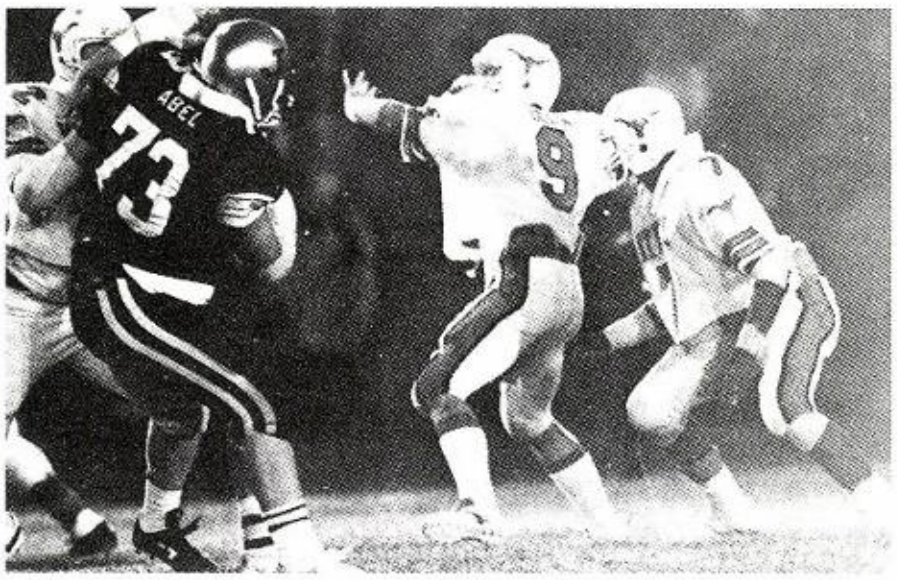












The premier game of district play left the Longhorns with a loss to Kimball 20-0. The team then rallied to win their next three games against Sunset, Pinkston, and T.J. The scores were 42-7, 18-7, and 27-8 in W. T. White's homecoming game. By losing their last match to Carter 30-9, the Longhorns just barely misssed a chance at the district playoffs.

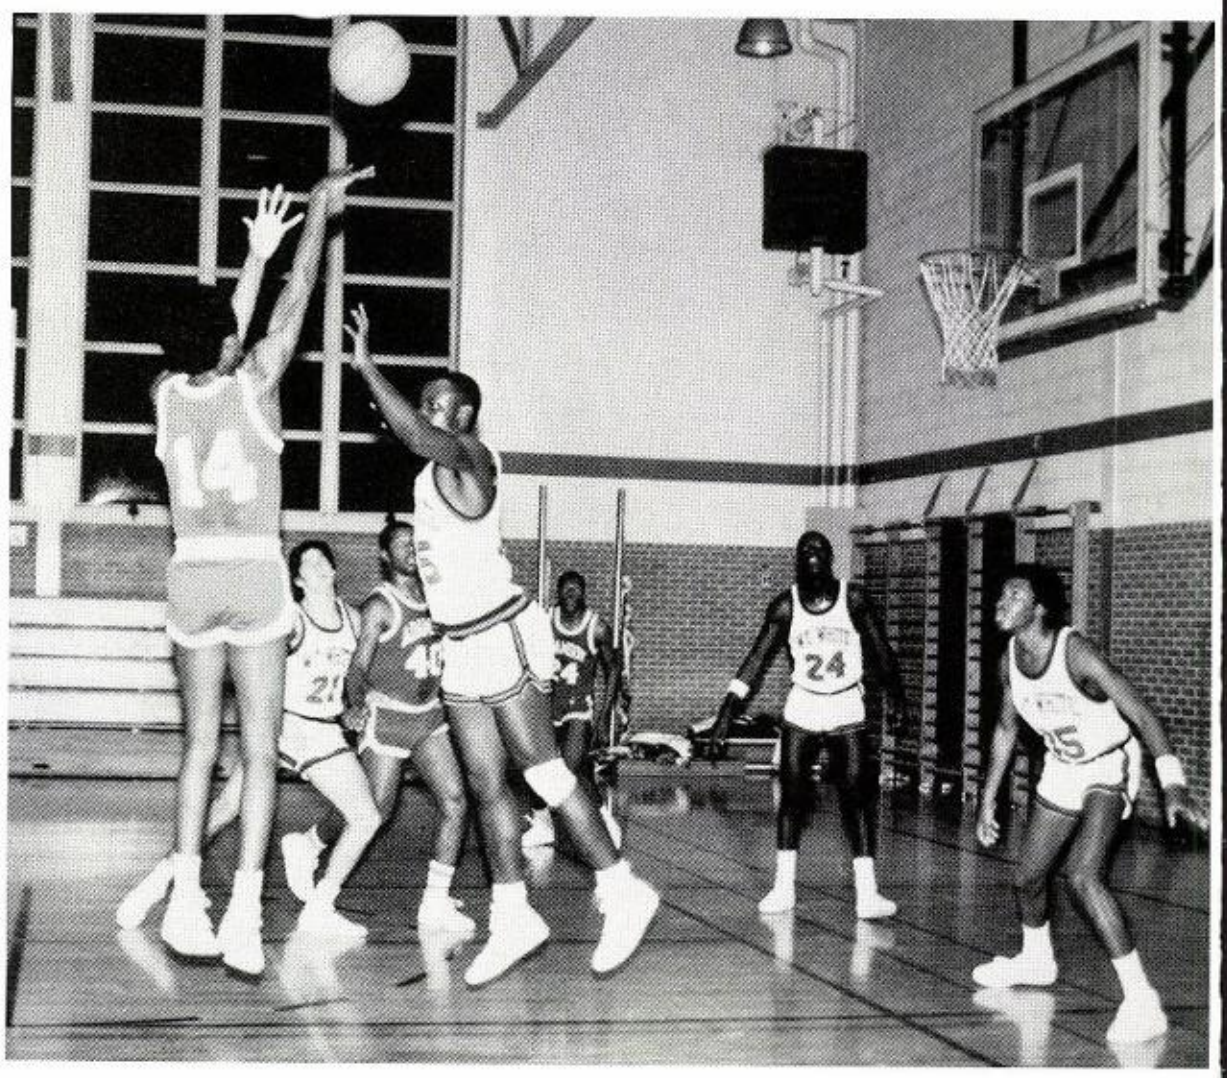
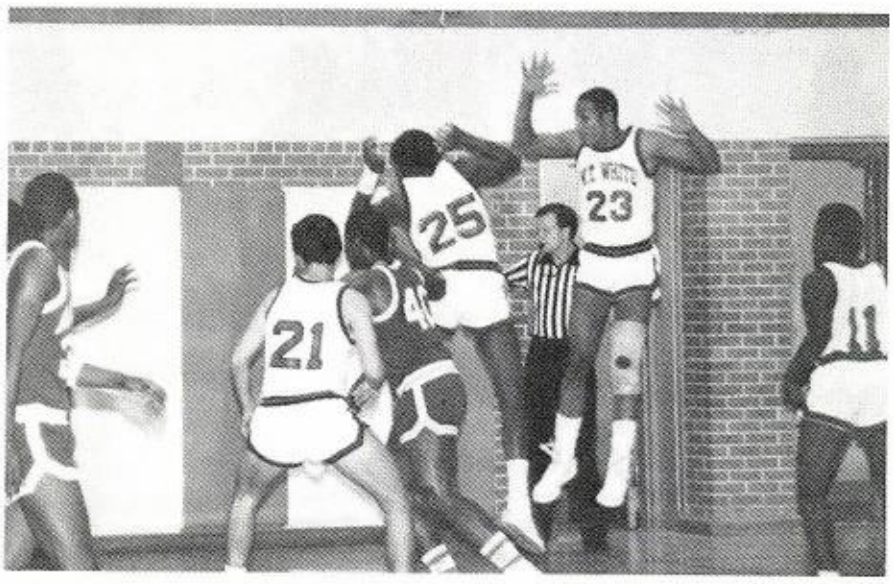
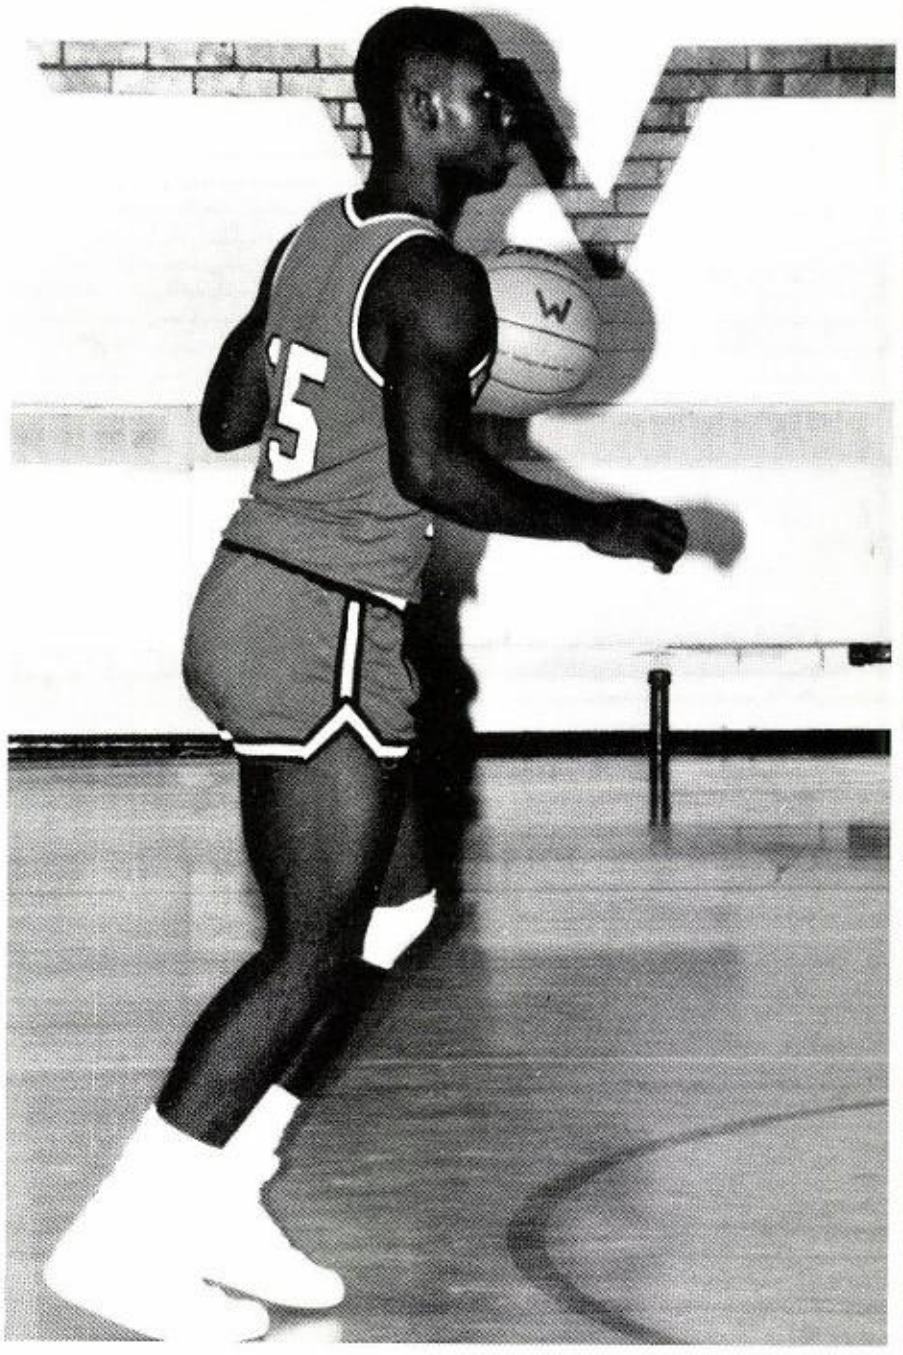
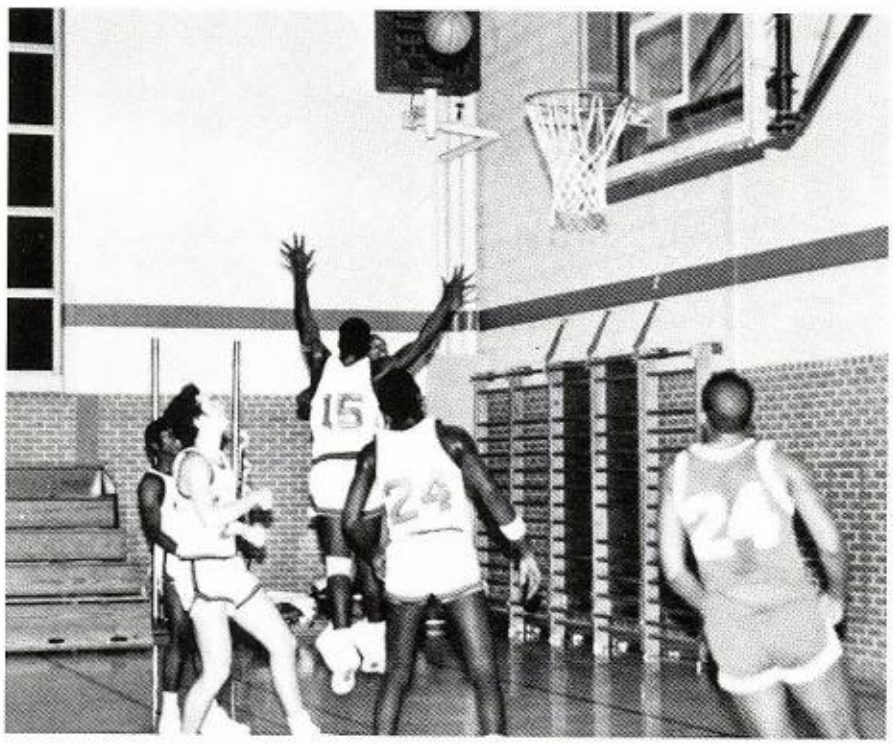
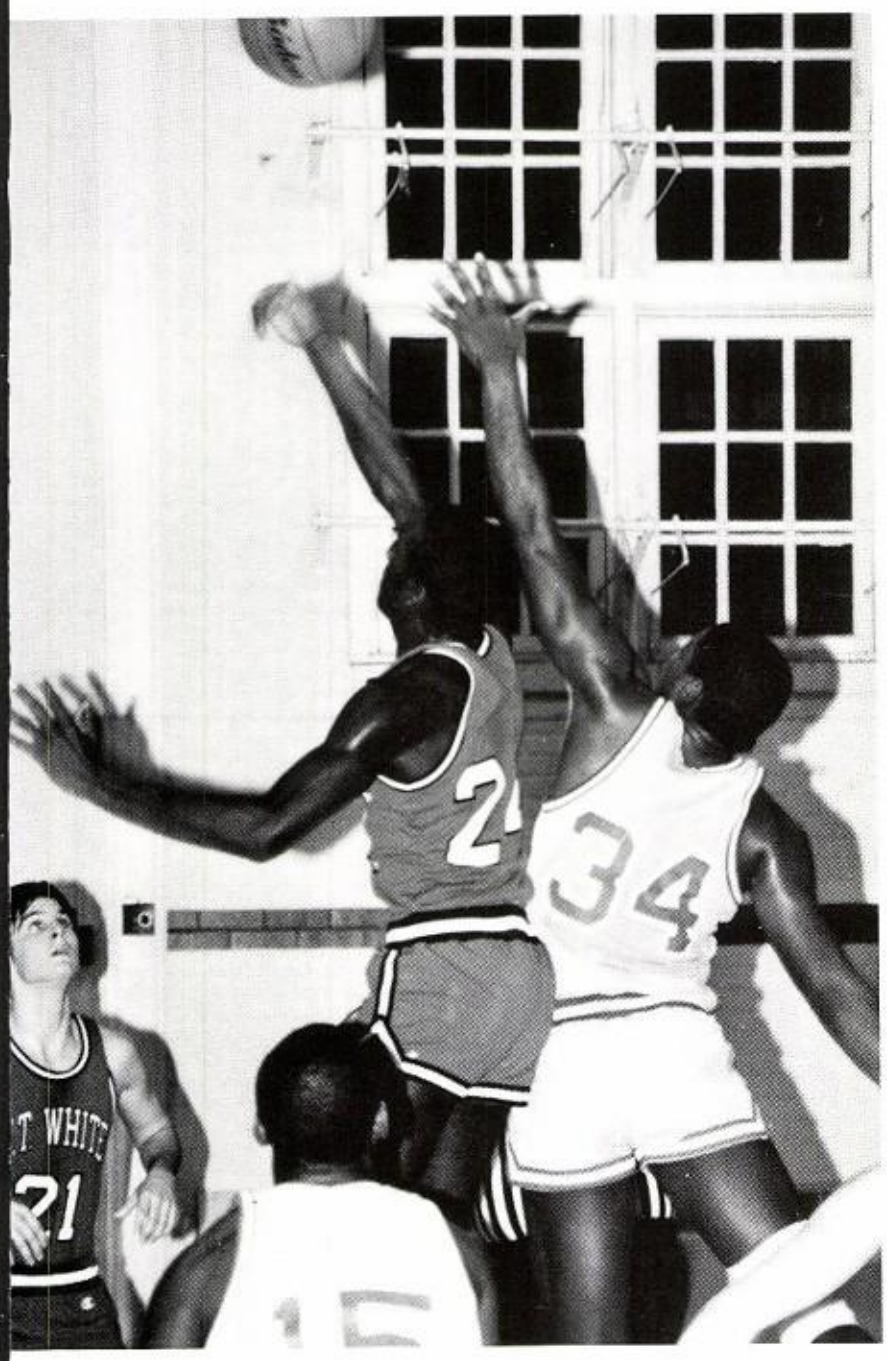
# Up, Up, And Away











Composed of almost all underclassmen, the varsity Boys' Basketball team posted a fine record in this seasons play. Under the leadership of their new coach, Johnny Carter, the squad faired well in the various district games and numerous weekend tournaments. The spirit and sportsmanship displayed on the court and in the stands could only be found at a W. T. White game. This excitement carried the Horns to the end of a very successful season.

The 1984-85 soccer season went extremely well for the Longhorn team. Defeating one opponent after the other, the squad ended the year with a 10-0 record in district play. The 'Horns clinched the district title with a close 4-3 win over the rival Hillcrest Panthers. Deadlocked at 0-0 at the end of regulation time, W. T. White rallied to take the game on the last kick of the shootout. The team then challenged Kimball for the bi-district title and emerged victoriously with a score of 3-1. Area competition took the team to Nacogdoches where they won the tournament with a 4-2 victory. The team returned to Dallas to face a tough Richardson squad in the regional play-offs. Unfortunately, the Eagles captured a win by a final score of 2-1. The past year has been one filled with hard work and great improvement. Through their strong play and decisive victories, the W. T. White soccer team has shown that they rank among some of the top teams in the state.

Enthusiasm and performance were both good for the Girls' Soccer Team. A large turnout at try-outs enabled Coach Landy to assemble a fine group of players. The team braved the cold weather to win many a game. The team finished the regular season with a great record and progressed to the play-offs. The large portion of underclassmen will make next year good, too.

# Catch The Wave

From September until March, while the rest of world was asleep during the early hours of the morning, the W. T. White swim team was at Loos, swimming five to six thousand yards. The swim team was undefeated in their district. With a new coach, Dee Gorton, and their revered talent, the W. T. White swim team has great potential for the years to come.

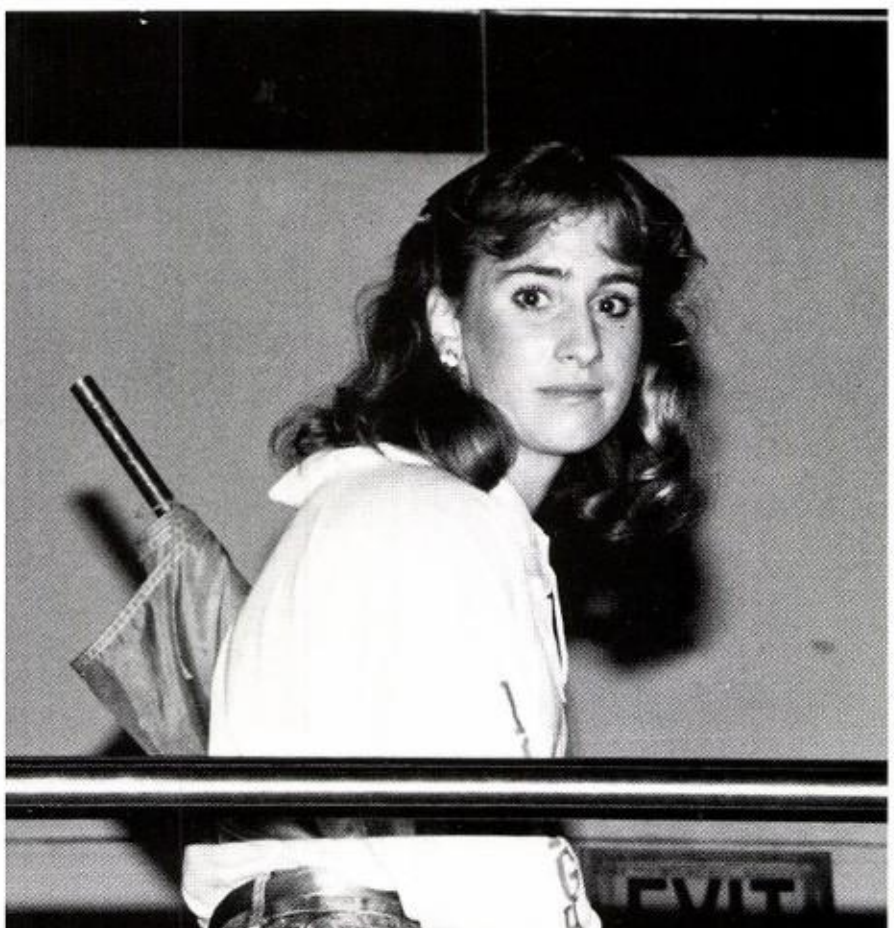
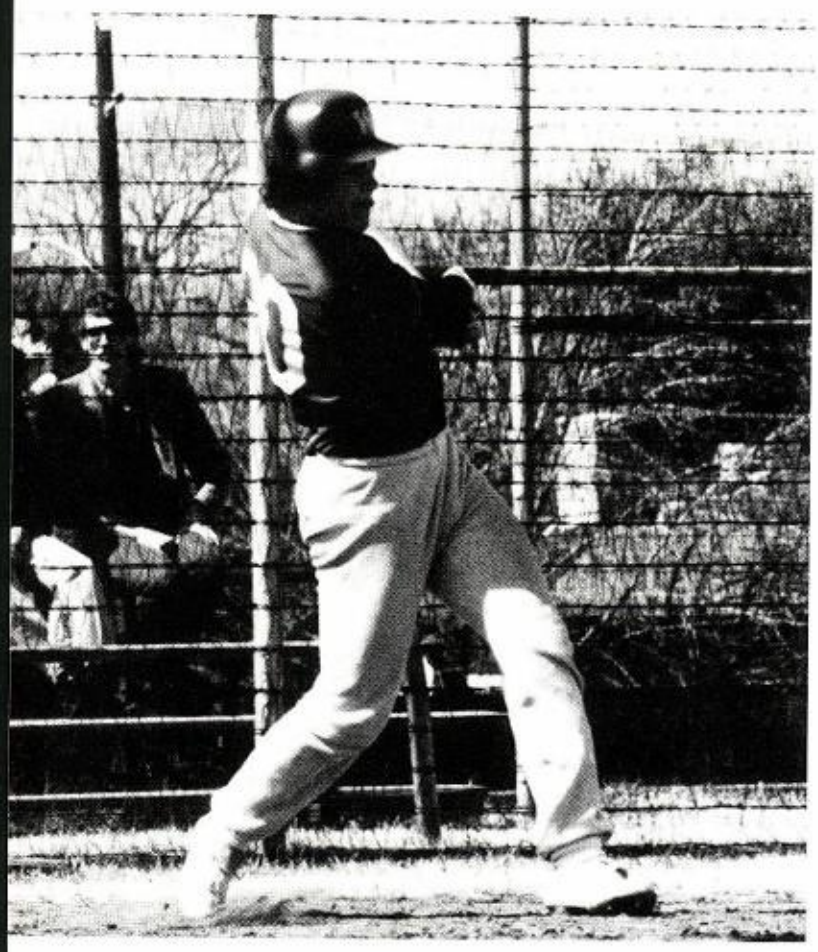
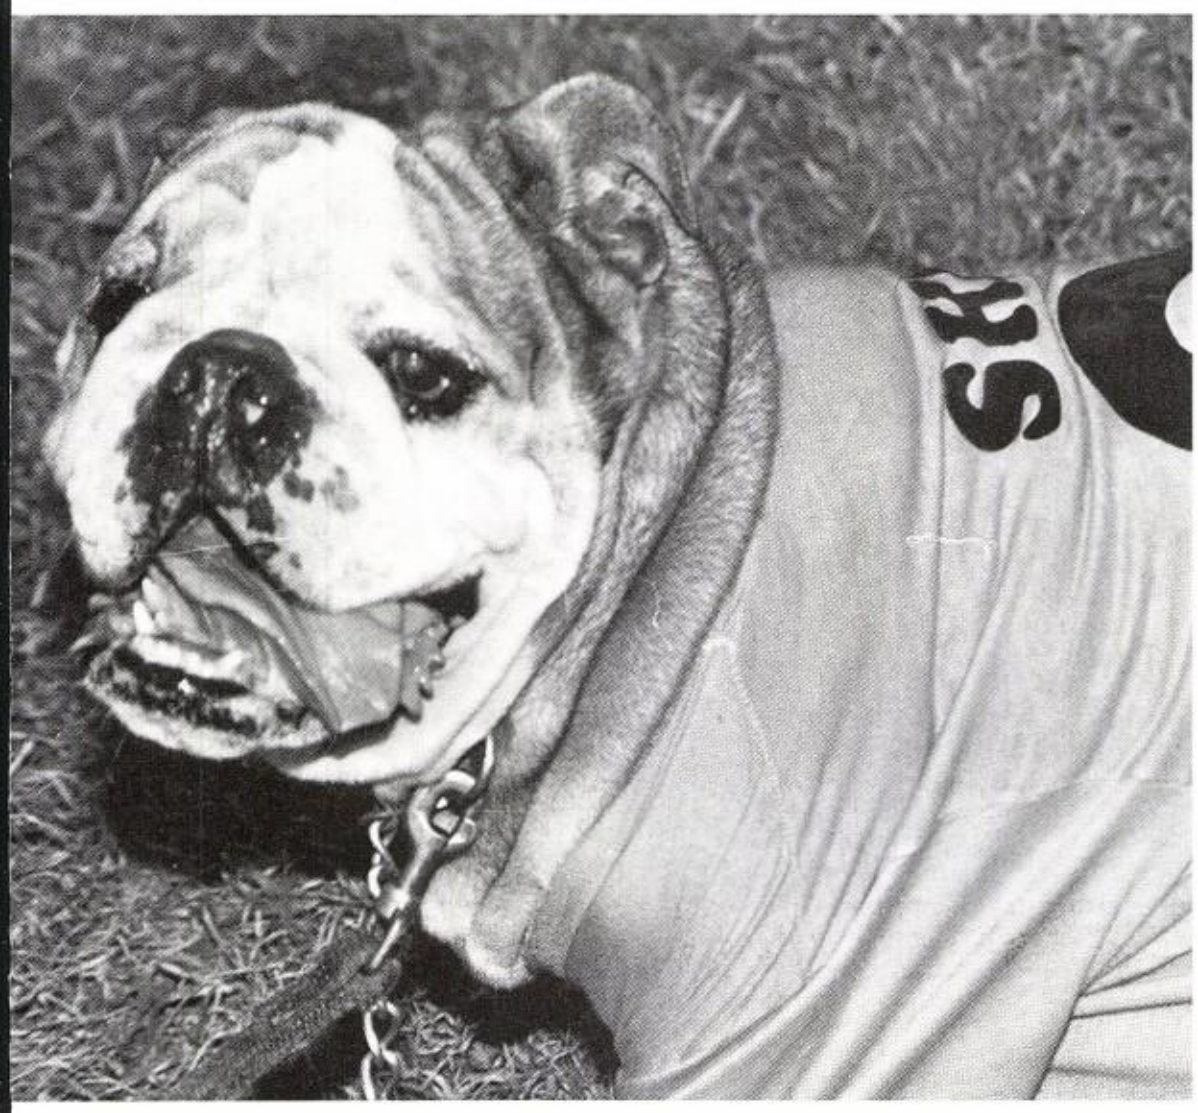
Swimming is one of the hardest sports in the world. It is ninety percent mental preparation and requires long hours of hard work and dedication. It is not the kind of sport in which a person can dive into a pool and break a world record . . .



. . . Mark Spitz didn't just dive into a pool and win seven gold medals. It took years of his life to reach this point. The key to competitive swimming is to know one's destination, to believe that it can be achieved, and then to go for it!

# Take Me Out to the Ballpark





Beginning with practices in early spring, the W. T. White baseball team worked hard to make this year a good one. Under the leadership of Coach Sheperd, the squad played together and captured many wins. After the fine performances of this year, the seasons ahead look promising for Longhorn baseball.

# Life in the Fast Lane

The girls track team had a winning season. By starting out the season placing at the top in their District meets, the season was a strong one . . .

. . . The competition was rough, but their hard work vas revealed by their progress. From simple stretches to two-mile run for time, the girls worked diligently. Coach Gentry commented, "The hard work pays off at he end. The longhorn track team has stored talent that vill be revealed in years to come."

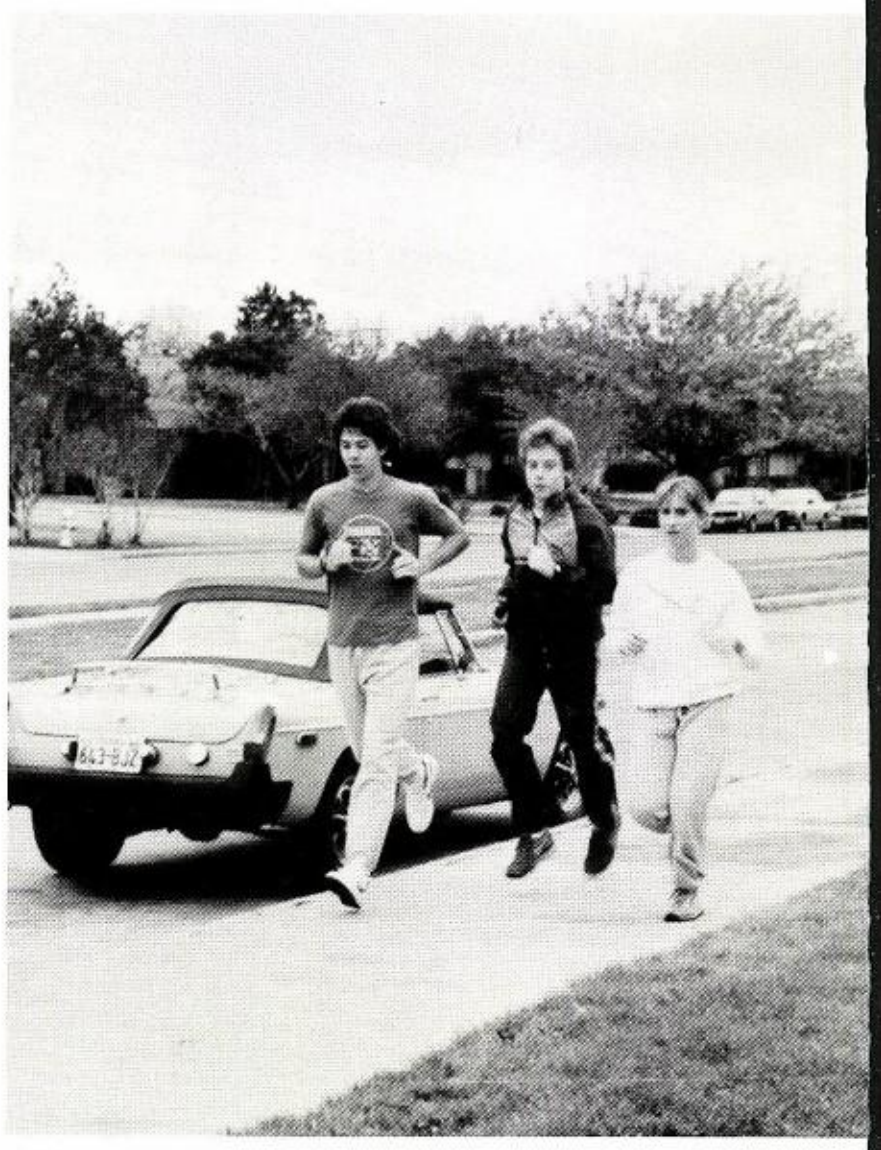
# The Long and Winding Road



Cross country running is a difficult sport. While track runners run on a track, cross country runners run over hills, and through mud to complete their three mile races. Coach Gorton had the cross country team run four to five miles a day to prepare them for their races which were held at Norbuck park. The team was strong this year and has great potential for the years to come.

# Sponsor's Acknowledgements

It has been truly a record-year for the *Saga* — senior color section, longhorns against the Dallas skyline on our endsheets, custom-longhorn artwork, the special orange and white collage cover, and, of course, the record itself.

A special thank-you needs to be extended to Mr. and Mrs. Bruce Fraser for the use of their home and for all of the errands they ran for us.

Karen Fraser and John Engstrom need to be commended for their originality, enthusiasm, cooperation, and hard work.

Last but not least, a special thank-you to Meredith, Sharon, Meredith, Clay, Lisa, Ashley, James, Marilyn, Brenda, Sheryl, Matt, Kevin, Becki, Robin, Karla, Bobbie, Clare, Allison, Julie, Lara, Bruce, and Kathy.

# Editor's Acknowledgements

The years we've served on **Saga** staff have been enlightening, enjoyable, sometimes frustrating, but never boring! As the 1984-85 **Saga** is complete, so is our job as editors. We would like to take this opportunity to express our gratitude to all of those who helped to make this yearbook complete:

**Patricia Gage** — Thanks for all the patience, help, and friendship you have given us.
**Matt Loving** — for outstanding work on the opening page, cover, and record.
**Saga Staff** — The best staff an editor could ask for.
**Photographers** — What would an annual be without pictures?
**Dallas Morning News** — endsheet pictures of Dallas Longhorns.
**Mary Grace Eubank** — donation of her creative talents for labels and division pages as well as the design on the closing page.
**Taylor Publishing Co.** — we couldn't have done it without them.
**Student Council** — patience with our mistakes and retakes
**Chad Woolery** — support and general good nature in helping us meet deadlines and other obstacles.

Every class strives to make their school better. They donate money, give gifts, and contribute vast amounts of time to accomplish this task. The foundation that is set by classes in previous years is the only reason that any class can improve their school. Every now and again a class emerges which can add a new and solid level to the existing foundation. The theme, a record year, expresses the past year in which we laid a new level to the foundation which will support other classes for years to come. Along with the idea of a record as a feat that has never before been accomplished comes the idea of a stereophonic disk. These dual interpretations of a record have been reflected in the various activities of the student body. "The only reason I can see further is I am standing on the shoulders of giants" — Newton.

# Editor's Acknowledgements

I would like to thank here the following people who helped in putting this book together:

Patricia Gage, for worrying over all the details that no one else wanted to deal with.
John Johnson and Joe Peifer for their fine work on the color section.
The Senior Superlatives, for enduring unfortunate circumstances and several trips to the Magic Time Machine.
The Magic Time Machine, for allowing us to use their facilities on numerous (too many to count) occasions.
Mr. Chad Woolery, for his great support and advice. We really don't realize how fortunate we are to have him.
Pat Whitaker, for her outstanding work on the cover and division pages.
The SAGA Staff itself, for persevering in the face of many many obstacles.
The SAGA Photographers, for what would an annual be without pictures.
Everyone who appears in this book, for we on the staff are proud to be responsible for maintaining your memories.
The SAGA Staff would also like to apologize for any inconvenience that was experienced in dealing with us. Sometimes good intentions are just not enough. Next year we will make a concerted effort to see that fewer problems occur.

Another year has
come and gone at W. T. White.
The 1984 year that was just completed
was significant for a multitude of reasons. For
one thing, it marked the end of an era at White
with the twentieth anniversary of W. T. White's ex-
istence falling in 1984. Under the fine leadership of Mr.
Woolery and his faculty, the students here reached out into
many new and exciting fields, succeeding in virtually all of
them. From top to bottom, White possessed a unique combina-
tion of people this year who have not only left their mark here at
school, but also will leave their mark on the business, social, and
political circles of tomorrow. This group at W. T. White seems
more intent on striving for great things. Mediocrity has become
unacceptable — only the best is acceptable. Always aspiring
for higher and greater things is truly a worthwhile pursuit.
Orwell warned against the horrors of 1984, but looking
back it seems very bright in comparison. Above all, W.
T. White students are human — winning, losing,
laughing, crying, aspiring, and succeeding —
and that human element assures that
White will continue to thrive for
years to come. But for now,
let us all save the 1983-
84 school year a
fond place
in our
hearts.
